## **GOLD BULLION ANNOUNCES SIGNING OF A COMMUNICATIONS PROTOCOL WITH TIMISKAMING FIRST NATION**

August 26, 2014 – Gold Bullion Development Corp. (TSX.V: GBB) (OTCPINK: GBBFF) (the “Company” or “Gold Bullion”) is pleased to announce it has entered into a Communications Protocol Agreement with the Timiskaming First Nation (“TFN”) to facilitate and ensure timely, effective and transparent communications moving forward.

This Communications Protocol is for the purposes of establishing a positive working relationship based on mutual respect concerning the Granada Mine project and any other Company mining activities located on the TFN’s traditional territory. The Communications Protocol Agreement is intended to serve as a framework to develop a more specific agreement over the next several months.

A future agreement could cover a number of areas including environmental and social concerns as well as economic opportunities for TFN. The Company began negotiating a potential formal agreement on August 11<sup>th</sup>, 2014 that could replace this initial Communications Protocol Agreement prior to its expiration on November 1, 2014.

Frank Baša, P.Eng., is acting as the qualified person (QP) for Gold Bullion Development Corp. in compliance with National Instrument 43-101 and has reviewed the contents of this press release.
